

MISSOURI S&T

COMMUNITY JOB FAIR

EXPLORE LOCAL JOB OPPORTUNITIES

Missouri S&T and area employers invite community members to attend a job fair featuring organizations with current openings. Attendees can meet directly with hiring representatives, learn about available roles and explore future opportunities.

Positions may include:

- Business support roles
- Student support roles
- Finance and accounting positions
- Custodial and landscaping roles
- Electrical, construction and maintenance positions
- Other in-demand roles across industries.

Why attend

- Connect with recruiters and hiring managers
- Learn about current and upcoming openings
- Explore career paths close to home.

Workshops

Attendees are invited to participate in a series of workshops designed to support their job search and career growth. Sessions will be offered throughout the event and include:

- **Resume Writing:** Learn how to create or update a resume that highlights your skills and experience effectively.
- **Interview Skills:** Gain tips and strategies to help you prepare for and succeed in job interviews.
- **Military Transitions:** Guidance and resources for individuals transitioning from military service to civilian careers.
- Workshop schedule and location details will be available at the event.

Connect.
Explore.
Get Hired.

SATURDAY, JUNE 20

10 a.m.–2 p.m.

**Innovation Lab Atrium
650 Tim Bradley Way**

Event details

- Parking will be available in the parking garage.
- The event is open to all community members.
- Attendees are encouraged to bring copies of their resume.
- No registration is required. Attend at any time during event hours.
